OBJECTIVE

Dynamic journalist and social communicator with a growing proficiency in Full Stack Development, proficient in HTML, CSS, JavaScript, PHP and SQL. Experienced in utilizing JavaScript libraries such as React and CSS frameworks like Bootstrap to build responsive and engaging web applications. Combining a solid foundation in media production and communication with emerging skills in web development, I aim to leverage my diverse background to create innovative digital solutions. Seeking opportunities to apply my unique blend of media expertise and technical skills to drive impactful digital projects forward.

PROFESSIONAL EXPERIENCE:

Voiceover Artist for Advertising

2016-Present

Recorded dynamic voiceovers for advertising campaigns, leveraging versatility and creativity to deliver compelling messages.

Radio Columnist

Radio Las Rosas - Modo Radio 2016-2022

Provided insightful commentary and analysis as a columnist on radio programs, engaging audiences with compelling content.

Digital Branding & Marketing Specialist

4yourBrand 2018-2022

Executed innovative digital branding and marketing strategies, driving engagement and growth across digital platforms.

Event Coverage Specialist

2019-2022

Excelled in covering diverse musical and sporting events, showcasing adaptability and professionalism in dynamic environments.

Television News Panelist

Canal C - Bien Directo Noticias 2020-2022

Contributed informed perspectives and analysis as a panelist on a television news program, enhancing viewer understanding of current events.

Television Show Host

Canal C - Bien Directo Noticias 2020-2022

Spearheaded engaging discussions and interviews as host of a television program, showcasing adept communication and presentation skills.
